You'll have it. I'm not certain what you mean about the Gang problem in New York. It happens to be in Suffolk county - 30 miles away from NYC. It is MS 13 issues that you don't have in your city. Why would you bring this up?

Hello Ray,

I hope you are doing well.

Mayor Strickland and I have a meeting with key business leaders at noon on Friday, June 23. If possible, they would like for us to address your final report. Is there a chance we can have it within the next week or so ?

I've been reading with interest about the increasing gang problem in New York City.
